

**Administrative Committee  
on Co-ordination**ACC/1992/PER/R.22  
7 October 1992

Consultative Committee on  
Administrative Questions  
(Personnel and General Administrative Questions)

## PERSONNEL STATISTICS

Note by the CCAQ secretariat

1. Attached are the annual statistical tables on the staff of the organizations in the United Nations common system, as at 31 December 1991, produced by the International Computing Centre for the Consultative Committee on Administrative Questions.
2. The tables contain data on the staff by:
  - (a) organization, including separate entries for certain organs of the UN, the ILO and WHO;
  - (b) duty station, showing a distinction between headquarters and other established offices, between secretariat posts and technical co-operation projects, and a detailed listing by country and location;
  - (c) source of funding;
  - (d) category, grade, type of appointment, age group, length of service, gender and (for all but one of the organizations) nationality.
3. In addition, the tables provide figures on:
  - (a) the number of appointments and separations which took place during 1991 and the resulting turnover rate;
  - (b) the percentage of expatriate staff in the Professional and higher category;
  - (c) the number of allowances received by staff members:
    - (i) in respect of dependants (dependency allowance);
    - (ii) of the General Service category, for knowledge of an additional official language (language allowance);
    - (iii) of the General Service category recruited from outside the country or area of the duty station (non-resident's allowance).
4. The tables exclude information on National Professional Officers which will be published separately.
