NOTES

1. The structure of the present report is identical to the previous report published in 2018.

2. Data that was utilized to produce this report was certified as being valid and correct as of 31 December 2018 by each organization that, respectively, submitted data. Each submitting organization is responsible for the validity and correctness of the underlying data that is represented in this report.

3. Data that was utilized to produce this report is limited to records of staff members who were engaged in an employment of **one year or longer as of 31 December 2018**. The determination of whether a staff member was engaged in an employment of one year or longer was made by each respective submitting organization.

4. The following are the notes regarding the reporting of records to the CEB for staff members who had a special employment status.
    a. Records of staff members who were loaned from one organization to another organization were requested to be reported to the CEB only by the releasing organization, with the current duty station of each staff member being reported.
    b. Records of staff members who were seconded from one organization to another should have been submitted to the CEB only by the receiving organization.
    c. Records of staff members who had the employment status of special leave without pay should have been reported to the CEB with data that reflected their last active duty status.

5. IOM is included in the CEB Personnel Statistics beginning with the data as at 31 December 2017.

6. CTBTO, ISA and ITLOS are included in the CEB Personnel Statistics beginning with the data as at 31 December 2018.

7. No data were received from ICJ for 2018; it is not included in the tables.

8. 0.1% of records contained missing, unclear, invalid, or otherwise unclassifiable information on specific variables such as gender, length of service, nationality, or duty station. Where applicable, these records were excluded from the relevant tables or shown under "Unclear" (nationality, Table 10) or "Unknown" (duty station, Table 13).

9. This revision replaces the report issued on 19 August 2019. All reports from 2016 onwards were rebuilt in 2026 from the data submitted by the organizations, using consistent data-processing rules, which include some corrections to historical records. Current (2026) names are used for organizations, countries and cities.

DEFINITION OF TERMS

(a) Staff. All personnel who are employed by an organization as staff members, and who are, thus, subject to the Staff Rules and Regulations of the organization.

(b) Appointment. The act by which a staff member enters into employment with an organization. Under the ICSC contractual framework, the appointments this report groups as "Without Time Limit" correspond to continuing and permanent appointments.

(c) Category. The "International Professional" category includes all professional grades for which international recruitment is required – including the director and higher-level grades. The "National Professional" category includes all professional grades for which local recruitment is required. The "Field Service" category includes all non-professional grades for which international recruitment is required. The "General Service" category includes all non-professional grades for which local recruitment is required, including grades that are not actually General Service grades – i.e., Language Teacher grades, Public Information Assistant grades, Safety and Security grades, and Trades and Crafts grades. In official ICSC terminology, National Professional staff are National Professional Officers (NPOs).

(d) Established office. Any office where units of an organization's secretariat are maintained on a continuing basis. Established offices are divided into headquarters and other established offices, with the latter including regional, sub-regional, area, branch, and liaison offices.

(e) Length of service. The duration of continuous employment of a staff member with the current employing organization, irrespective of the type of appointment held by the staff member during the employment. The duration of continuous employment is calculated using the date of entry of the staff member into the employing organization.

(f) Non-resident's allowance. There are two types of non-resident's allowance (NRA):

(i) An allowance that is paid to General Service staff members who were recruited before the end of 1983; this allowance is pensionable, and has remained at a constant amount since 31 December 1983.
(ii) A non-pensionable allowance that is payable at certain duty stations to General Service staff members who were recruited on or after 1 January 1984, or that is payable to staff members who were recruited before the end of 1983 and who have elected to replace their former pensionable allowance by the non-pensionable allowance.

(g) Organizational location. Any location to which an organization assigns its staff, regardless of whether the location is an established office or project office.

(h) Project Office. Any location where staff are assigned for a defined period for the purpose of assisting a Member State with carrying out a programme of technical cooperation.

(i) Source of funds (or funding). A distinction that indicates whether the budgetary arrangements of the employing organization pay for the employment of a staff member from:

(i) a regular budget funded by contributions assessed on Member States in accordance with an approved scale of assessments for the apportionment of the expenses of the employing organization, or
(ii) any other funds that are voluntarily provided to the employing organization, excluding funds that are provided by UNDP, funds-in-trust, grants or reimbursable arrangements, etc.
